FEE AGREEMENT

The fee for professional services is \$175 for a 45-minute session. Telephone contacts of longer than ten minutes are prorated at the hourly rate as are fees for the preparation of reports, legal proceedings, and discussions with third parties or the time required to perform other services which you may request. These are generally not reimbursable by insurance. Fees will be periodically adjusted with advance notice.

Payment in full or the required co-payment is due at the time of service. Regardless of the method of payment, clients are personally responsible for all charges incurred. The client is responsible for the difference between the standard fee and the fee paid by the insurance company.

Cancellation of a session requires **24 hours notice or you will be responsible for payment of the full fee** for the session. Insurance companies do not pay for missed or cancelled sessions, so the entire fee is the client's responsibility.

Accounts which are 90 days overdue will be subject to referral to a collection agency or attorney.

Credit card use is available for your convenience.

I have read and agree to the above statements, and have received a copy.
